# CELLHAWK
POWERED BY HAWK ANALYTICS

TRAINING

# SOFTWARE THAT REDEFINES INVESTIGATIONS

## EXTRACT RAPID ANSWERS AND COMPELLING EVIDENCE FROM CELL PHONE CALL DETAIL RECORDS

## WHAT YOU LEARN

- Learn to leverage all the features within the CellHawk software

- Learn to extract as many possible answers from the data. For example; suspect behavior, connections, locations, dates & times

- Learn how CellHawk software can make you more effective in the courtroom with precise data

## KEY FEATURES

- Drag and Drop upload for cellular call detail records (CDRs)
- Cell Site Locations
- Interactive Animation
- Statistical & Link Analysis
- Graphical CDR Mapping

We come to you or you come to us. Either way we will provide you with the best training classes in cellular technology.
